Themes & Graphics are purchased separately!

- Maintenance, Updates, and small requests are billed on an hourly basis.

Please contact me for more details.

- Designing a blog or website may seem like a simple task but, is a very involved process.
- The package pricing listed is a starting point.
- Take into consideration the add-ons such as forums, widgets, additional pages, forms, calendars etc.
- All these things create a bigger project requiring more work and consultation.
- These are things to keep in mind when estimating your project budget.

* All hosting and domain registration are done separately.

Prices are subject to change at Jael Custom Designs discretion
